We recommend reservations for dinner, especially on the weekends. For groups larger than 8, we require a credit card number to secure the reservation. If a cancellation is made within 24 hours of the booking, no penalties will be charged. The customer will be charged \$25 per person for a no-show. Children are welcome at Indika. We do not have a 'kids menu' since we do not believe in kids having separate food from adults. We will, however, prepare food with minimal spices or sauces to accommodate children.
